

# NEW TEMPORARY COVID-19

## safety measures

Please be aware of our new safety measures as we will be following government guidelines to ensure the safety of our clients and staff.

There are few temporary changes listed below.

Please come on your own. To maintain social distancing, we do not have extra seating available.

We have installed hand sanitizer dispenser at the reception desk and another outside the restroom.

Please ensure you use at all times.

All staff members will be wearing masks.

The doors will be left open to allow ventilation.

In addition, there is an air purifier in use in the basement.

Each client will have their temperature taken on arrival.

If the temperature reading is above 37.8C we will unfortunately, need to reschedule your appointment.

All staff members have passed BARBICIDE course for salon sanitation.

All surface will be disinfected and cleaned between each client with antibacterial cleansers.

We can not offer magazines read so please bring your own magazine or tablet etc.

Please come on time, If you are more than 10 minutes late, we regretfully, we will have to reschedule your appointment.

Unfortunately no hot drinks will be available.

These changes are not what we wish to do but are necessary for now.

Thank you for your understanding.
